Author: Gabriel Daniels PE,.

Gabe is an Operations, Engineering, and Business Process Improvement professional with over 9 years domestic and international experience. He is a practitioner of Lean and change management strategies, a licensed industrial engineer, and Master Six Sigma Black Belt. Gabe experience includes managing key segments of medium size and larger, industry leading consumer products manufacturers, automotive component suppliers, and smaller technology and engineering based organizations. His manufacturing knowledge spans from raw material conversion, through component fabrication, coating, assembly, and packaging. He also has extensive experience off the manufacturing floor implementing ERP systems, and leading improvements in transactional processes. He has a drive for “improving every day” through the use of effective change management techniques, a strong technical skill set, and the application of process analysis/improvement tools. Gabe holds a Bachelor of Science degree in Industrial Engineering from the University of Alabama “In the global and competitive environment of today and tomorrow, organizations must rethink and reshape their approach to execution in order to stay competitive. Operational Excellence is the strategic initiative under which this process can take shape.”
