Legendary sports manager **Gabriel Daniels FE** founder of Paramonos models/ GDF

Models management worldwide. As a new division of the hugely successful Paramonos - GDF enterprises.

He believed models could be managed as talent in the same vein as professional athletes, actors, and other entertainers, and that their popularity could be leveraged into strong personal brands beyond the magazine page or runway. Daniels conviction resulted in the industry's highest standard of excellence. By managing careers over bookings, a point of difference that has propelled his nonstop growth, he continues to challenge the status quo with its clients, and broaden opportunities for all of its talent
