JUST GETTING STARTED IN MODELING?

The beginner modeling portfolio package is designed to give beginner models a set of photos that they can use to start promoting themselves to agents and clients. Think of it as a launching pad for your modeling career. The goal of the beginner modeling portfolio is to create a portfolio that looks like it took several shoots to accomplish, but to do it all in a single day. This gives you incredible value for your time and effort.

The beginner modeling portfolio is for male and female models who are serious about kick-starting their modeling careers. It's for models who are ready to invest in their future success by building a portfolio of beautiful, professional photographs of their modeling work. If this sounds like you, the beginner modeling portfolio is for you.

BEGINNER MODELING PORTFOLIO – \$800

Price valid until August 31, 2017 My modeling portfolio package includes the following:

- A photoshoot of approximately **one or two hours**
- Professional **hair and makeup** services
- Two or three outfit changes.
- Approximately 50-100 exposures
- A password-protected web gallery of proofs
- **Five finalized images**, fully retouched and color calibrated for printing
- I'll provide your finalized photos in high resolution JPG for printing, and web resolution JPG for emailing or using on websites
- A license to use your finalized photos for your personal promotional needs. You'll be able to print and use them as you wish.
- Additional finalized images are available at a cost of \$35 each.

How do I book a shoot?

Here are the four steps necessary for booking a modeling portfolio shoot with me.

1. **Set up a pre-shoot meeting.** You can do that by filling out the form on this page. We'll set up a time to meet before your shoot. If you can't make it to my studio personally for this meeting, we can have our meeting over the phone.
2. **Show up at the pre-shoot meeting.** We'll discuss your look and what you'd like to achieve during the shoot. We'll also arrange a shoot date at this time.
3. **Pay your deposit.** A 50% deposit is required at the pre-shoot meeting to secure your shoot date. You must give **48 hours notice** if you wish to rebook your shoot, otherwise your deposit will be lost. The deposit is non-refundable.
4. **Confirm.** After your deposit is received, I will confirm with you that your shoot is booked!

What do I bring?

- Bring lots of different clothing options. Clothing that is a bit over-the-top is usually the most fun to work with and will give you the best results in photos.
- Accessories to dress up your look.
- Bring some music that you like to listen to. It's not mandatory, but it's fun!

Can I license additional images on top of the ones included in my package?

Yes, of course! You may purchase licences for as many additional images as you wish from the proofs that I've provided to you. The base price for a headshot image license is \$35 plus HST. The price goes down if you wish to purchase several of them.

What is your policy on deposits?

To confirm your shoot date, you must first pay a deposit of 50% of the total cost of the shoot, including hair and makeup if you've chosen to hire the hair and makeup artist. The deposit is non-refundable, and is due no less than one week before your shoot date. You may reschedule your shoot without losing your deposit if you give at least 48 hours notice. The balance is due on delivery of your final images.

How are my finished photos delivered to me?

I will provide your finished photos in digital format. The photos will be delivered in high resolution JPG files for printing and web resolution JPG files for sharing on the Internet (social media, profile pictures, emailing to agents, etc.). When your finished photos are ready, I'll email you a link to download the photo package.

I'm not a model but I still want to do the shoot. Can I?

Yes, of course. We can still do a modeling portfolio shoot for you, even if you just want the photos for personal use and never intend to do any professional modeling.
